Dear Mr. Fuchigami,

Thank you for your submittal of the *Risk-Based Assessment Memorandum for the Kapalama Military Reservation, Honolulu, HI, Project No. C493*, dated August 24, 2015. We have reviewed your submittal and in response are issuing the attached conditional approval with respect to residual PCBs remaining at Building 905 at the Kapalama Military Reservation. A hard copy of this document was also sent to you via certified mail.

As described in the attached letter, EPA will be deferring all future land use management issues to Mr. Steve Mow, senior remedial project manager with the Hawaii Department of Health (cc'd in this email). We appreciate your cooperation in this matter.

Please give me, or the Steve Armann, EPA Corrective Action Program Manager (415-972-3352), a call if you have any questions.

Best regards,  
Cynthia
